### NAPLES DAILY NEWS SPONSORSHIP

William S. Gentry, Marco Island Bureau Chief for the *Naples Daily News*, and other community leaders organized a club to present prominent and well informed speakers to the growing number of retired executives in the Naples area. The Forum Club of Southwest Florida began in 1985.

In 1988, Bill Gentry again had the foresight to invite students from each area high school to luncheon meetings as guests of a sponsoring Club member.

In 1992, as a tribute to the accomplishments of the founder of the Club and its first executive director, after his death the Board of Directors established the William S. Gentry Student Scholarship Award that is presented each year to one senior from each Collier County high school.

The *Naples Daily News* has been proud to sponsor the students and their administrators for lunch since the inception of the award.

### MISSION STATEMENT

The Forum Club's mission is to:

- *Provide a congenial meeting atmosphere for members to enjoy prominent speakers in fields such as academia, business, economics, finance,*

*government, health, international relations, media and the arts, science and technology ;*

- *Promote the highest civic, moral and ethical standards;*
- *Share the "Forum Club Experience" with outstanding high school students in Collier County;*
- *Provide scholarships to Collier County high school students.*
